Scientific Journal JFAE

Aims and Scope: The Journal of Food, Agriculture & Environment publishes peer-reviewed original research, critical reviews and short communications on food science and technology, agriculture, animal science, human nutrition, with particular emphasis on interdisciplinary studies that explore the intersection of food, agriculture, and the environment. The journal also considers a limited number of relevant scholarly manuscripts addressing ethical or socioeconomic issues related to modern agricultural and environmental sciences. The Journal offers advertisement space.

Journal of Food, Agriculture & Environment – JFAE
