

## Events

The main interest and benefit of ISFAE membership is the privilege of getting access to the Online Journals, plus extra site Report & Thesis, ext.To attend some meetings held by the auspice of the ISFAE and to get the proceeding or book at discounted rates. The ISFAE will arrange with the collaboration of eminent experts some international events like: workshops, symposia or meetings will be held concurrently during each year. ISFAE Provides Consultant Services to Institutions, companies and in some cases to farmers or growers.

**ISFAE:** The scientific society of Food, Agriculture and Environment (ISFAE) includes scientific, professional and technical communities, with contacts all over the world. The aim of the ISFAE is to promote news and information. It encourages research and development and advisory or consultancy activities in all branches related to Food, Agriculture and Environment and to some extends human nutrition and health and animal sciences. The ISFAE facilitates the cooperation between scientists or professionals and promotes knowledge transfer on a global scale by means of publications. Consultant service to farmers and institutions is considered as an option. This can be your association where you can freely exchange any information with others. You also may join our Forum for free. Contact us at [isfae@isfae.org](mailto:isfae@isfae.org)

Kindly promote the activities of ISFAE in your Institute, university or company.
