## -Attention-

You are cordially invited to contribute to the Scientific Journal of Food, Agriculture & Environment – JFAE manuscripts on original research work, critical or short reviews in food science, human nutrition, animal science, agriculture and environment. The journal also considers manuscripts on biotechnology, ethical and socioeconomic issues related to modern agricultural or environmental sciences. The Journal offers advertisement space for special announcements from, and employment opportunities.

Please feel free to contact us if we can be of further assistance.
